Magazine

"I can sense body condition by hands," says the owner.

Customer talks about the experience saying, "Feel so light like I was melted."

Based on the 18 years of experience in the field, the female owner gently performs massage on customers while sensing the right body spots.

Especially, lymphatic massage is well worth experiencing.

Benefits can be felt in many ways from relaxing, enhanced immune system, or beauty effect to even dieting.

It's great to experience the genuine Chinese traditional massage.
